

OSHC EXPRESSION OF INTEREST

Welcome to Kilkenny OSHC!

We're so glad you're interested in joining our service. To get started, please scan the QR code to complete our Expression of Interest form. This helps us gather some initial information about your family and your care needs.

Once submitted, a member of our OSHC Admin Team will be in contact to guide you through the next steps, including setting up your enrolment and arranging a meet-and-greet or enrolment interview.

We look forward to connecting with you and welcoming your family into our OSHC community!
